

# Art of Caring

AMERICAN VISIONARY  
ART MUSEUM

---

JUNE 5, 2022

SPONSORSHIP PACKAGE

The Art of Caring is a unique experience of art and advocacy uniting for the greater good of our children in Baltimore City. One of a kind art pieces are auctioned off and proceeds are used to support children who have become victim to child abuse and neglect.

CASA of Baltimore provides these children with the unwavering support they need and your contributions can change the lives of hundreds of underserved youth.

## 2020 ART OF CARING EVENT

Honorary Chair: Aaron Maybin

Connect with hundreds of corporate, art and civic leaders.  
Encourage employee volunteerism and reinforce your corporate  
values to your staff, clients and other important stakeholders.  
Demonstrate your commitment to the health and safety of  
Baltimore's most vulnerable children.
